## ***Shane Berryhill signs with Kickstart Productions, Inc., to develop The Adventures of Chance Fortune for Screen***

Kickstart Productions, Inc. recently entered into a deal to develop the first and second books in *The Adventures of Chance Fortune series*, *Chance Fortune and the Outlaws* and *Chance Fortune in the Shadow Zone* for the screen. Chance Fortune author Shane Berryhill has been contracted to write the screenplay.

*Chance Fortune and Outlaws* is the story of young Tennessee native Joshua Blevins, a normal human boy who secrets his way into an academy for superheroes using a false identity. Under the moniker of Chance Fortune, Josh rises among the ranks of his fellow students through wits and sheer force of will.

Kickstart Productions, Inc., is a full-service production company specializing in live action film, animation, and visual effects. Kickstart's credits include the live action *The Cat in the Hat*, Mike Mignola's *Amazing Screw-on Head*, and the upcoming *Wanted* starring Angelina Jolie.

*Chance Fortune and the Outlaws* was originally published by Starscarpe, Tor's young adult division, in August 2006, and is currently available in hardcover and paperback. The second volume of the series, *Chance Fortune in the Shadow Zone*, is to release later this year.
